Schaefer for Championship, New York, Jan. 28 .- The billiard chan pionship, divided, as it is, in two classes, remains unchanged. Jake Schaefer by virtue of his defeat of A. G. Cutler in Philadelphia, retains the 18.1 balk-line championship, while George Sutton's easy victory over Ora Morningstar in the bat tle for 18.2 supremacy in this city last night leaves him in possession of the title he was defending.

Willie Hoppe, the former champion, is out to win both titles, and with this don Hickey. The contest was played at the Leno Lyceum, the coldness of which chilled the spectators and interfered with the sensitive ivory balls. High runs were few and far between.
